TWO INSTRUCTORS WITH TWO ROLES

Professional/Technical/Academic Instructor = Content Expert

Develops and delivers curricular content
Sole authority on content
Helps to define and underscore the importance of the Basic Skills Instructor’s role
Works with basic skills instructor to plan and structure class appropriately

ABE/ESL Instructor = Basic Skills Expert

Develops and delivers basic skills instruction in the class
Authority on basic skills development
Monitors comprehension and helps content instructor pace class appropriately
Helps ABE and ESL students to better access content

What type of skills or activities does the basic skills instructor bring to the classroom?
